

Dear Sir or Madam,

"I have been working with Saba Energy since 2015. Bob at Saba Energy took the time to explain the market and provide us with multiple electricity bids and term options. After reviewing the options that were available to our company we chose to lock-in a fixed price for and a long-term contract. It was the most cost effective strategy for our electricity service. As our business has been growing, Bob has helped us add new meters and taking care of the whole process so we can focus on our core business.

Best Regards,
